### A Passionate Advocate for Small Business, Employees and Individuals

"IT'S MY JOB TO WORK FOR THOSE WHO ARE being taken advantage of and level the playing field," says Ron Adkison. And he takes his job very seriously. After seeing his father exploited in a business deal as a youngster, Adkison was determined to remedy similar injustices by becoming a lawyer. "If you've ever seen someone close to you abused or intimidated by corporate power, then you know the importance of having a passionate legal advocate on your side," he says.

#### **SUCCESS IS NO ACCIDENT**

During his 30-year career, Adkison has taken on some of the nation's largest corporations in pursuit of justice for his clients, who include business owners, employees and individuals.

Adkison is known for his pungent cross-examination and powerful closing arguments. "My success depends on thorough preparation and a solid strategic plan," he explains. "It's the only way to be on the winning side of a high-stakes case."

The firm's impressive track record includes victories for clients with important claims in catastrophic oil field accident cases, complex business litigation, major surface damage cases and trucking accidents.

#### **SKILLED AND EXPERIENCED**

Adkison was educated at Baylor University School of Law and is board-certified in civil trial law by the Texas Board of Legal Specialization. In addition to trial work, Adkison is also a certified mediator, providing services in personal injury, business litigation, oil and gas litigation and insurance law.
